COLLEGE PLANNING FOR FAMILIES WITH SPECIAL NEEDS

THURS., JAN. 26, 2023, AT 12:00 NOON
WEBINAR ID: 891 8477 6304

Looking for a college experience for your child with special needs? Michelle Morris, Special Needs Financial Planner, from Consolidated Planning Group, offers answers to families considering the best option for their student who is neurodiverse or has a disability when transitioning out of high school.

The discussion will include answers to these frequently asked questions:

- What options are available after high school?
- What makes a college good for students with disabilities?
- What unique financial considerations should I consider?
