

Authorization for Direct Deposit – Employee Form

This authorizes Western Placer Unified School District to send credit entries (and appropriate debit and adjustment entries), electronically or by any other commercially accepted method, to my (our) account(s) indicated below. This authorizes the financial institution holding the Account to post all such entries.

I understand the ACH goes through a test period ensuring all account information is correct and that I will receive a "live check" in this test period. If no errors are found during the test period the next payroll will be electronically deposited. ACH advises are sent via e-mail to the account you provide below.

This authorization will be in effect until Western Placer Unified School District receives a cancellation form from myself and has a reasonable opportunity to act on it.
