Dear Ms. Szalai:

Please see the attached document responsive to your January 3, 2022 FOIA request. Our IT department performed the search based on the email jmalkin@aclusc.org. This search did not yield any email exchanges directly to or from this email address and any staff BCSD email. However, this email address was copied on emails to the district from outside individuals as denoted in the attachment. Please note that it is not uncommon for email searches to pull the same email more than once if part of an extended email chain.

Regards,
Candace
