

EMERGENCY RESPONSES

The Indian River School District holds in highest regard the safety, welfare, and health of its employees, students and the public. Therefore, the District will follow operating practices outlined within the State's Comprehensive School Safety Plan (CSSP). The District will work toward:

- 1) Continual review/maintenance of the existing Navigate360 portal.
- 2) An Annual review of Navigate360 with all Building Administrators to ensure knowledge and adherence to these outlined safety measures.
- 3) Observance and adherence of all applicable state and federal statutes and regulations.

Navigate 360 is currently maintained by the Building Administrator/Designee and made available online @ https://secure.navigateprepared.com/emergency/emergency_dashboard.php# and outlines procedures during the following events:

- Abduction/Missing Student
- Active Threat Lockdown
- Aircraft Accident
- Bomb Threat
- Bus Accident
- Contagious Disease
- Earthquake
- Evacuation
- Explosion
- Field Trip-Off Campus Incident
- Fire/Fire Alarm
- Hazardous Materials Incident (Exterior)
- Hazardous Materials Incident (Interior)
- Heightened Security
- Hostage Situation
- Hurricane
- Person with Weapon
- Reverse Evacuation
- Severe Weather (Tornado/Severe Thunderstorm)
- Severe Weather (Winter Storm)
- Shelter in Place
- Suspicious Object/Potential Explosive Device
- Threat of Violence
