

EXTRA-CURRICULAR ACTIVITIES DURING INCLEMENT WEATHER

Maintenance of students' safety and well-being is a top priority of the Indian River School District. This policy applies to any before-school, after-school, evening, Saturday, or Board-approved Sunday activity.

In the event of inclement weather, the superintendent in consultation with the President of the Board of Education can decide to cease operations. When schools are dismissed early due to inclement weather, all official and unofficial activities will be cancelled for that evening. Should school be cancelled the entire school day, all extra-curricular activities shall require approval of the superintendent, after consult with the president of the Board of Education. Refer to EBCD Reg. for additional procedures in the event of closings of subsequent days.
