

LIABILITY INSURANCE

All school employees will be covered by a general district liability policy subject to the terms and conditions of the policy. Members of the Board of Education will be covered by this policy.

Said policy will be maintained at a level considered appropriate upon advice of the district's legal and financial advisors.

Prior to renewal of the policy, the limits of coverage will be reviewed by the district's legal counsel and Director of Business & Finance for recommendations for coverage.

Adopted 1/23/89
Revised 6/21/11, 11/24/14, 12/19/22
Reviewed 2/11/19
