

AFFILIATE ACCOUNT INFORMATION
(STUDENT FUND-RAISING)

The Indian River School District's administration is responsible for establishing and maintaining an internal control structure for organizations that are under the direct jurisdiction of the Board of Education. Funds received for student activities, such as clubs, organizations, and athletic teams, and funds received through fundraising activities, donations, and private grants are subject to this policy.

These accounts will be held within the District's internal accounts and maintained within the State of Delaware's accounting system. All financial activity for these accounts will be processed in accordance with State and District accounting policies. Affiliated organizations, such as booster clubs, PTO/PTA, and sunshine clubs, are separate, legal entities from the District.
