

STUDENT OFFICERS

The Indian River School District's Board of Education members, teachers, and administrators believe that the experience of holding an office in a school organization is a valuable experience in learning to fulfill the role of a contributing American citizen. Student Organizational Leaders, Student Council members, and Boys' and Girls' State participants represent the district's students and staff. Therefore, such students must be of the highest moral integrity since they serve as ambassadors of the Indian River School District. Each student officer candidate must be approved by the building principal following his/her review of the student's attendance, academic, and discipline records to assure that the candidate is in a position to best serve and represent his/her school and the IRSD. Furthermore, existing officers may be removed from office due to a suspension. Appeals must be submitted to the office of the Superintendent or his/her designee.
