

## 620 CREDIT FOR LEARNING

### I. PURPOSE

The purpose of this policy is to recognize student achievement which occurs in Post-Secondary Enrollment Options and other advanced enrichment programs. The purpose of this policy is also to recognize student achievement which occurs in other schools, in alternative learning sites, and in out-of-school experiences such as community organizations, work-based learning, and other educational activities and opportunities. The purpose of this policy also is to address the transfer of student credit from out-of-state, private, or home schools and online learning programs and to address how the school district will recognize student achievement obtained outside of the school district.

### II. GENERAL STATEMENT OF POLICY

The school district will provide a process for awarding students credit toward graduation requirements for credits and grades students complete in other schools, post-secondary or higher education institutions, and online courses and programs.

### III. GRADUATION CREDITS

Prior approval by the school district administration is required for all secondary credits granted to a student through a post-secondary enrollment options course or program or on-line learning course or program that shall be counted toward the graduation and credit requirements of a student completing the Minnesota Academic Standards.
