

January

Hello AC Families,

I hope you all had a great holiday season. We are ready to get back in the swing of things here at Amanda Clearcreek Elementary.

In the near future, many of you that have said that you would like to volunteer will be receiving an email to sign up to help our students. We need volunteers to come in to the building and sit with our students and read with. We know the past way to get better at something is practice practice practice. This will provide an opportunity for students to practice in front of an audience.

If you have not completed our volunteer form you can stop in the office and get a copy and we will submit it for approval at the February board meeting and can get you in the building to help us.
