

# Eduphoria Student Portfolio Interface

## Teacher View

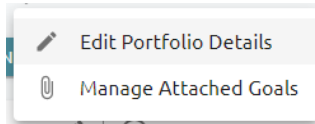

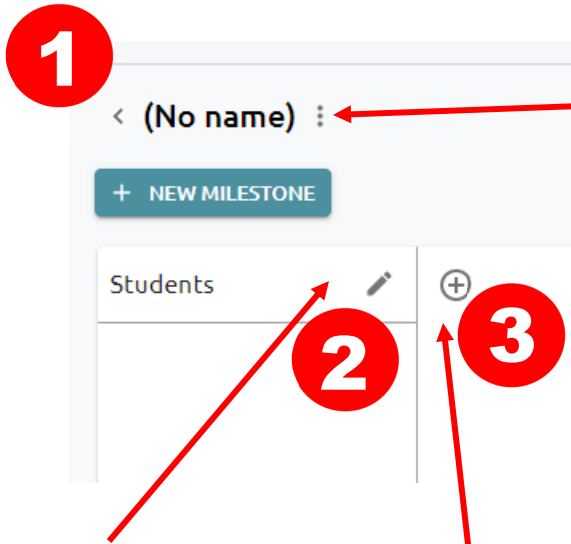

### Edit Portfolio

#### Details

Allows the teacher to title the Student Portfolio  
Ex. "RLA 7<sup>th</sup> Grade"

#### Manage Attached Goals

Allows the teacher link their student portfolio to their SLO (Strive).

#### The Pencil Icon

Allows the teacher to select students for their portfolio.

*If the teacher is not a student's teacher of record, then that teacher must create a monitor list.*

*Once the monitor list is approved by campus admin, the students will appear.*

#### The + Icon

Allows the teacher to create a milestone by clicking on RUBRIC.

*If the teacher wants to import assessment data, then they will click assessment.*

*Remember, a teacher must still create/rate students at each Milestone (data point).*

#### The + Icon

Allows the teacher to add levels to the rubric. (The teacher must add 2 levels)

**General Warning-** If a teacher clicks on AWARE and "My Student Portfolio" does not appear in the Analyze Tab, answer the following question and take appropriate action.

### Is teacher an official teacher of record for students?

YES – Send Mr. Camarillo an email because the teacher he needs to link the teacher to the master schedule

NO – The teacher must first create a monitor list on the Student Tab
