

Parent Sponsorship Program 2022-2023

Ithan PTO continuously works behind the scenes to enhance your child(ren)'s experience at Ithan. In the 2021-22 school year, through funds provided directly to the school, the PTO:

- Purchased a paper heat transfer machine and sublimation printer for the IDS Classroom.
- Purchased flexible seating for multiple classrooms and Mrs. Jones's office.
- Invested in multiple sets of multicultural books.
- Financially supported the new 5th Grade Ambassador program.
- Financially supported NEST projects for every single student.
- Hosted two new, family-friendly events: Trunk or Treat and the End of the Year Picnic.
- Honored our amazing teachers during Teacher Appreciation Week with a party at a local restaurant, breakfast, and gifts.
- Provided dinner for over 80 staff members during Parent Teacher Conferences.
- Offered stipends for every teacher to purchase extra supplies for their classrooms.
- Supported the annual Science Fair, Arts Night, Field Day and International Week.
- Supplied over 2,000 snacks to students for PSSA testing days and Yellow Day.
- AND brought back Spring Thing; the PTO's largest event and fundraiser.

The PTO has plans to continue the above and more for the 2022-2023 school year! In order to provide funding to activities that benefit our students and school community again this year, we need your help. Please show your support of Ithan PTO by making a **one-time, tax-deductible donation that goes directly to our PTO**. Scan either the Venmo or PayPal QR codes below to donate. Please include a note with your email address and "PSP" with your online donation. **OR** You can fill out the form below and send it into school with a check made out to IES PTO. Please place the form and check in an envelope marked "PTO PSP" and have your child give it to their teacher.
