

Sixth Grade Registration Form

2023-2024 School Year

Osseo Middle School

Welcome to the 2023-2024 school year course registration process at Osseo Middle School! We look forward to helping your student register for their 2023-2024 courses and are excited to welcome your student to our school next year. Registration is very important as we hire teachers based on elective choices made by students and families during the registration process.

As a 6th grade student at Osseo Middle School, your student will be required to take the following courses: English/Language Arts, Math (Foundations of Algebra or Pre-Algebra), Earth Science, Minnesota Studies, Advisory, Art, Gateway to Technology, Physical Education, and a Music course (of their choice). If you have questions about our courses, please view the Middle School Registration Guide on your student's Chromebook or on our website at <https://oms.district279.org/>.

Students will have multiple opportunities to register for the 2023-2024 school year. Their first opportunity will be at our open house and registration event on Tuesday, January 31st at Osseo Middle School. Students and families will have an opportunity to hear information about our school, receive a tour of our school, meet staff, and much more! For more details about this exciting event, please visit our website at <https://oms.district279.org/>. Additionally, Osseo Middle School Counselors will be visiting elementary schools on the following days and times:

Rice Lake Elementary: January 30th at 9:30AM
 Edinbrook Elementary: January 31st at 9:30AM
 Woodland Elementary: February 1st at 12:00PM
 Weaver Lake Elementary: February 3rd at 11:00AM
 Elm Creak Elementary: February 7th at 10:30AM
 Park Brook Elementary: February 8th at 9:15AM
 Fernbrook Elementary: February 10th at 10:30AM

On the back of this form, please review the music course options, indicate a 1st and 2nd choice, and include parent/guardian signature. We strive to schedule students into their music of choice, but it is not a guarantee. If a student does not receive their first music choice, they may be placed into an alternate course.

Below is an example of a 6th grade student schedule. If you have any questions, please contact:

Meghan Brawford & Jenna Johnson, School Counselors
 Brian Chance, Principal & Jenny Tollefson, Assistant Principal
