Dear GSA Parents and Guardians:

I am quite pleased to announce that Ms. Katy Rinehart, who served as GSA's Director of College & Career Counseling from 2017-2019, will take over from Peter Goss. Mr. Goss was called out to New Mexico by family obligations. Ms. Rinehart is a very experienced counselor, knows GSA well, and will be able to hit the ground running.

Ms. Rinehart introduced herself to juniors and seniors this morning, and she will begin in earnest in March, after the juniors return from ISIP. Mr. Goss will continue to be available for seniors until then, and he is making sure all semester 1 transcripts are sent to colleges for the seniors who need them.

Once she starts in March, Ms. Rinehart can be reached at 207-374-2808 or at k.rinehart@georgestevens.org.

Please let me know if you have any questions.

Respectfully,

Timothy J. Seeley
Head of School
