PRINCIPAL'S MESSAGE

Dilworth Family,

We are excited to continue with our Dragon Dollars in support of our school behavioral expectations. We have seen a positive effect with our students and are confident that this trend will continue.

We will have our Acadience testing tomorrow; we ask that you make sure your student gets a good night sleep tonight and a good breakfast in the morning. Our teachers have been working hard with the students. We are excited to have the students show their progress with the testing tomorrow. The students have been working hard as well. Thank you for your support of your students and our school staff.

Kind regards,

Richard Squire, Principal
