

## June ACT at Westminster Information Sheet

**Cost: \$63 per student**

**Location: Westminster Upper School**

**Date: Saturday, June 10th, 8:00am**

The ACT organization has approved Westminster to be an unlisted Test Site for the June ACT. We are allowing only Westminster high school students to register for this exam so our students can take the test in a familiar environment. Proctors are Westminster teachers, though on that day they are representatives of the ACT. Seats are limited, so please only register your student if they are serious about taking the test.

The ideal time to start taking the ACT is after a student has completed Algebra II, usually rising 11th or 12th graders. You may reach out to Kim Fulcher ([kfulcher@westminsterknights.org](mailto:kfulcher@westminsterknights.org)) with any questions about your child's readiness.

To register, please follow the instructions below
