

Scan QR Code to get to the form to participate.

The Parkway Manor Annual Science Fair is a hallmark event where students get to showcase their independent hard work to their peers, families, and teachers.

The Science Fair is back in person! March 29th 5:30-7:00 pm

Sign up here by February 16th, 2023. : <https://forms.gle/15XGV79cE9agFxDg9>

Participation is optional and open to all students in all grades. The goal of the Science Fair is to spark curiosity and promote interest in science and experimentation. We want you to have fun in a non-pressured environment where you don't actually have to worry about your grade. -- So don't stress, just give it a shot! Remember, you're in elementary school, this won't affect your college applications!!

We make it fun and easy to participate:

Easy-To-Follow Science Fair Packet: Simply follow the packet, filling in the information as you go, and you will find that much of your presentation board will be completed in no time!

There Will Be Special Awards, But Everyone Will Leave A Winner!

On the day of the Science Fair a team of "Scientific Evaluators" will preview the student's presentation boards in the Gym before the Science Fair begins. Extra special prizes will be awarded in each grade, but every student will leave a winner and receive an award for their participation.

Space Allotment: Each student will have three feet of display space on a table available for their presentation board.

Science Fair Schedule for March 29th, 2023

8:15 – 8:45 a.m. Students may bring in their presentation boards and materials to the Gym first thing in the morning. Parents are welcome to come in with their students through the Gym entrance during this time if they need help.
