About Service Coordination, Inc.

SCI provides quality case management services by helping individuals with developmental disabilities make choices that positively affect their lives. We work with people who are receiving services funded by the Maryland State Developmental Disabilities Administration (DDA), and people who are applying for DDA services.

Working Together

When you work with an SCI Service Coordinator, you’ll develop individualized strategies to support your unique goals and needs. Our role is to:

- Explain the DDA Transition Process (GTYI)
- Attend your Transition IEP
- Connect you to community resources
- Provide you and your family with a list of local licensed DDA service providers and Self Directed services
- Assist with questions about what to ask providers when you interview with them
- Assist you and your family to ensure that you are getting the services and support mandated in your plan

As our partnership develops, we’ll adjust the plan so you can enjoy your best life.
