3. Information Item
 - a. Process for Policy Revision
The Policy Committee can consider other processes for updating BOE policy other than the current one. These include (1) adopting all revised policies as recommended by the Board attorney, (2) adopting significant policies as recommended by Board attorney and continuing to revise and adopt other policies over time, or (3) continuing the current practice of adopting and revising over time. The Policy Committee would like to proceed with the second option believing it to be the most efficient process.
