Day
February 20 – No School

AFTER SCHOOL PICK-UP

We have an increasing number of students who are not being picked up at 3:00 each day. All students need to be picked no later than 3:15 PM. We do not provide supervision after school hours. If you need assistance with carpooling please reach out to your community support rep. Thank you for help in making sure all children are safe and supervised after school.

LOTTERY IS OPEN

Don't forget to enter your upcoming kindergarten student in our lottery. Even if you are a current family all new children to the OC must be entered in the lottery.

This is a great opportunity for you to share with your siblings, friends, and neighbors all the wonderful things about the OC and encourage them to apply in our lottery.

NOW HIRING

If you know someone amazing who would like to join the OC team let them know we have a few openings. We are currently looking for a part-time office assistant, night sweepers, and additional support for after-care.

Anyone who is interested can apply on the district website by searching Open Classroom.

[Apply here](#)

APPROVED CALENDARS

The district approved the school calendars for the next three school years. You can view the approved calendars on the district website.
