Dear Boone County School District Community,

At last night's school board meeting some concerns were expressed regarding safety at Conner High School. We understand and value your concerns.

The Boone County Schools are fortunate to have an outstanding team of educators and mental health professionals trained to guide students through the toughest of life situations. The safety of our students and staff is our greatest priority when making district decisions. We also partner in decision making with experienced legal counsel. With the assistance of the Boone County Sheriff's Department, our School Resource Officers, as well as the District Safety team, I can assure you all appropriate safety measures have been taken and are in place. Conner High School remains a safe school.

The Kentucky Constitution guarantees the right to a public education for every child without prejudice, and we are obligated to follow state law. If you have concerns regarding education law, we strongly encourage you to talk to your local state legislator. We will continue to be vigilant regarding these matters and we appreciate the community's support.

Sincerely,

Matthew L. Turner  
Superintendent of Schools
