

# HOW TO ACCESS THE ISB CAMPUS

*All ISB students and staff members*

Anyone who tests **POSITIVE** for Covid-19:

- **REPORT:** to the appropriate office and remain at home.
- **RETURN:** students and staff members may return to school after testing negative twice within a 48-hour period, with the tests taken at least 24 hours apart. Proof of the two negative tests should be emailed to the ISB Nurses Office at [ejin@isb.cn](mailto:ejin@isb.cn).
- If using a rapid antigen test (RAT) at home, please send two time-stamped photos as proof to the email address above.

Feeling unwell at home:

- If the student or staff member has a fever or other Covid-19 symptoms, but tests **NEGATIVE** at home, please remain at home.
- Report the student or staff member absence following the normal procedure.
- Students and staff members should not attend school until they are free of fever and symptoms for 48 hours.

Feeling unwell on campus:

- Anyone presenting with a fever or Covid-19 symptoms will be sent home.
- Students and staff members should follow the return to campus protocols shared in the next column.

Returning to campus:

- Anyone who tests positive for Covid-19 **MUST** stay at home until such time that they test negative twice within a 48-hour period, with the two tests at least 24 hours apart.
- If a student or staff member has any Covid-19 symptoms and chooses **NOT** to test, they may only return to school after seven days and after they no longer have symptoms.
