## Swim Lessons for All Ages Newton YMCA

Did you know the second leading cause in accidental death in children ages 1-14 is drowning?

The YMCA is here to teach your kids about water safety! Our goal is to teach every kid how to be safe in and around the water.

We start with kids as young as 6 months old and go all the way through adults!

It's never too early or too late to start learning or refining your skills.

Stop by the Newton YMCA today to get signed up for swim lessons.
