

Come Join in the Fun!

The North Andover Social Club was started in 2019 by North Andover parents Kathy Keith, Patti MacPhee, and Lisa Staff to create a community of safety, connection, and fun for our young adults with special needs aged 18-35. In the three+ years since inception, we have become a unified group of friends who enjoy spending time together, participating in different activities, and sharing our life experiences. **We welcome new members at any time. Please don't hesitate to contact us at NorthAndoverSocialClub@gmail.com if you are interested.**

Here is a review of what we do:

- Monthly, we have a Club dinner at a local restaurant which is one of our favorite activities. Parents and their young adults attend together, and we have separate tables for the young adults and for the parents.
- We have a Club activity each month. In the past, we have done cooking, yoga, arts, hiking, bingo, pumpkin carving, bowling, and many more activities.
- Our community-based events have included Dinners at Veasey Park, Movies at the North Andover Historical Society, pool parties, Flick & Swim at the YMCA, Halloween on the Hill, Tim Tebow's Night to Shine Prom (a favorite!), and ARC dances.
- Our members participate in Best Buddies at Merrimack College, and we have our own Special Olympics basketball team.
- We give back to the community as volunteers decorating the North Andover Senior Center for the holidays and celebrating Thanksgiving by hosting a food drive for the North Andover Trinitarian Congregational Church.
