

Stacey M Lawson Inflight Scholarship

2022-2023

Making her life's purpose "supporting others", Stacey M Lawson is a Wright State University graduate who continues to support scholars in her community by mentoring and assisting them with the transition into college and university. Serving as a single parent who worked full-time as she progressed through university, Ms. Lawson understands the strains and complications of holding several roles at one time while pursuing a college education. Reaching out to DECA to make a difference in her community, Ms. Lawson, alongside the coordination of staff members at DECA High, have established the **Stacey M Lawson Inflight Scholarship**.

This scholarship is a **one time, \$250 book scholarship** that will be given out to four different students graduating in the Class of 2023. All of the qualifications and requirements to be considered for this generous scholarship are detailed below.

Please send all questions to DECA High's College Liaison, Ashley Overman at (937)-229-5775 or aoverman@daytonearlycollege.org

Qualifications
