Houston County High School
Community Service Form

Student's Name: _____

Class of _____ Date Submitted _____ Total Hours _____
(on this form)

Each activity must have a signature to verify your participation in the activity. It cannot be signed by family members. Activities you get paid for do not count. Activities during the regular school day and hours do not count. Activities for immediate family (parents, grandparents, aunts, uncles, or siblings) do not count. No more than half of the hours can be direct service to the church (teaching Sunday school, keeping the nursery, working the sound system during services, etc.). Mission trips, VBS, and community outreach projects from your church will count (service to the community, just sponsored by the church). Remember this is volunteer service to the community, helping meet needs of those who cannot help themselves. Each activity must be properly documented below. Please add the total of all your hours at the top of this page.
