## YOU ARE CRITICAL TO THE PROCESS

On April 25, 2023, there will be a 2023 South Whidbey School District Bond Proposal on the Island County Special Election Ballot. The Bond Committee looks forward to sharing our thoughts with you and cannot wait to hear about your vision and dreams for South Whidbey School District schools!

Goals for the 2023 South Whidbey School District Capital Bond are:

### 21ST CENTURY LEARNING ENVIRONMENT

Learning happens everywhere.

Modernizations throughout to improve student and community experience, perception, and pride. Re-envisioning existing indoor and outdoor spaces to better serve young learners and expanding usable outdoor space.

### WELCOMING & IDENTITY

Create a welcoming identity.

Refresh school appearance, articulate entries, and enhance spaces of pride that invite students and community in for learning and gathering. Create distinct identities for the middle school and high school under one roof.

### INCLUSIVE ENVIRONMENTS

All environments are inclusive.

Improve ADA compliance and access to inclusive restrooms to support all students. Add inclusive and covered play areas to provide a vibrant and engaging outdoor experience for all and to support athletics and community use.

### CLASSROOMS FOR TODAY'S LEARNING

Set the stage for quality learning.

Update classrooms to improve student learning experience and integrate the latest technology. Creating classrooms that are age appropriate and supportive of multi-modal learning to enhance success of all our learners.

### WAYFINDING & SAFETY

Navigating safely & with ease.

Improve flow outside and inside the schools and enhance safety at entrances and perimeters for a better student and community experience during and after school hours.

### OPERATIONS & MAINTENANCE

Go clean and green.

Upgrade mechanical and electrical infrastructure for reduced environmental impact, improve performance, reduce maintenance costs, and increase student comfort and wellness.
