RECITALS

WHEREAS, Paper has developed an online chat-based platform to provide students access to educators in order to obtain tutoring in connection with their courses, the features of which are more fully set out on Paper’s website located at www.paper.co (the “Platform”);

WHEREAS, Customer wishes to allow its students to access the Platform for their educational use in connection with the courses that they are taking in order to obtain tutoring from educators (“Educators”), as well as allowing teachers and administrators to access the Platform;

WHEREAS, Paper and Customer wish to set out the contractual terms pursuant to which access to students, teachers and administrators will be given to the Platform.

THE PARTIES HAVE THEREFORE AGREED AS FOLLOWS:

1. Purpose and Scope of the Agreement

This Agreement contains the terms and conditions relating to the provision on a “software-as-a- service” basis or through a downloadable application of the Platform to students, teachers and administrators (each a “User”) associated to the Customer. Customer acknowledges that in order to be granted access to the Platform, each User must agree to comply with the terms of service and that the failure to agree to such terms of service or non-compliance with such terms of services may result in the exclusion of the User from the Platform, as those terms of service may be modified from time to time subject to Customer being notified and in advance of material modifications which reduce the rights of the Customer. In the event a User is excluded due to a refusal to be bound by the terms of service or non-compliance to the terms of service, Customer shall not be entitled to reimbursement of any fees or other charges paid with respect to such User’s access. It is Customer’s responsibility to ensure that any parental approval or other formality required by local laws and regulations required for purposes of contractually binding Users is complied with.

2. Operation of the Platform

The Platform provides access to Educators using chat functionalities to allow students attending the Customer’s institution to obtain tutoring in connection with the courses defined by the Parties. The Platform and Educators are available on a 24 hours / 7 days per week basis, subject to the limitations set out in the Service Levels defined in this Agreement. Customer acknowledges that Educators qualified to interact with students on all courses topics may not be available at all

times. Teachers and administrators have access to the Platform and are provided with means to assess interactions between students and Educators.

Students may access the Platform only for their educational use in connection with the courses for which they are registered at the Customer's institution. There are no limits to the number of interactions a student may have through the Platform provided that these stay within reasonable bounds and do not become abusive.

In order to provide access to the Platform to Users, Customer must provide all necessary data set out in **Schedule A** in the specified electronic format so as to allow Paper to configure all accounts.

The pricing set out in **Schedule A** is for the maximum number of students indicated in such Schedule. To the extent that Customer wishes to allow access to the Platform to a number of students that exceeds the number set out in **Schedule A**, Customer will be offered the option to do so at the price per additional student set out in **Schedule A**, subject to the minimum quantities detailed in such schedule. The fee per student access shall not be prorated regardless of the point at which during a contract year new accesses are granted to the Platform. Additional accesses granted during the term shall be confirmed through electronic communications or in writing by Paper.

3. **Unacceptable Use of the Platform**

Customer acknowledges that the following types of behavior by Customer or its Users of the Platform are unacceptable:

(a) Posting or transmitting material that infringes, misappropriates or violates another person's intellectual property rights;

(b) Posting or transmitting material that violates any right of publicity, right of privacy or other similar rights;

(c) Using the Platform for purposes of stalking, harassing, threatening, bullying or other similar behavior;

(d) Posting or transmitting material that is defamatory, sexual in nature (other than as justified in light of the course content), obscene, offensive or discriminatory;

(h) Using "robots," "spiders," "offline readers," or other automated systems to

Paper will use reasonable efforts to monitor profiles, actions, comments, and general usage of the Platform and suspend privileges to any User or Educator not adhering to the policies of the Platform. Customer agrees to promptly report any alleged improprieties of any Users or Educators of which it becomes aware via electronic correspondence so as to enable Paper to investigate such alleged improprieties.

Upon the request of Paper, Customer shall provide any reasonable documentation required to confirm Paper’s ownership in the Platform Intellectual Property. For clarity, Paper shall not own any content added to the Platform by Users or Customer, which content is licensed pursuant to the terms of this Agreement.

Periods during which the Platform is unavailable due to a force majeure event or previously- scheduled maintenance shall not be counted as downtime for the purpose of this provision. Paper shall take commercially-reasonable measures to ensure that scheduled maintenance takes place between 7AM ET and 9AM ET and that Customer receives 48 hours advanced notice of any such maintenance.

Notwithstanding the foregoing, Customer acknowledges that Paper may need to perform emergency maintenance, for example to install security updates, without notice and that no such interruption of access to the Platform shall be considered unavailability for the purpose of calculating the service level.

10. Technical Support

Paper agrees to provide remote technical support to Customer via telephone, chat, email or other efficient communication method between 9AM PST and 5PM PST, Monday to Friday, except holidays as observed by Paper. The purpose of the remote assistance service is to attempt to identify and resolve functional problems in the Platform. Technical support shall be requested by Customer representatives, not by students.

Each communication received will be given a severity level by Paper according to the following guidelines:

(a) Major Problem: when the Platform is not operational or has suffered a major loss of capability resulting in the inability to use the Platform, or if a failure is so frequent that it precludes productive use of the Platform or when the Platform is operational but its capability is severely degraded, such as the inability to run a major application within the Platform, a critical product feature or function does not work, or a failure requires on-going intervention in order to maintain productive use;

(b) Minor Problem: when the Platform is operational and the problem does not result in a significant impact on the performance of the Platform, shall exercise all commercially reasonable efforts to meet the following response times:

Paper may update the Platform from time to time and shall make commercially reasonable efforts to advise the Customer in advance of all updates that materially affect the functionality of the Platform.

Paper shall be under no obligation to refrain from updating the Platform or delay in performing such updates.

11. Monetary Consideration

In consideration for the access granted herein to the Platform, Customer shall pay Paper the fees set forth in **Schedule A**. Unless otherwise provided in **Schedule A** or as otherwise set out herein, the fees are payable in advance within thirty (30) days for the beginning of the initial term and any renewal terms. Except as otherwise set out in **Schedule A**, and the initial term, the fees may be increased by Paper by giving the Customer thirty (30) days' prior written notice at any point in time and will be applied at the following invoice to be issued to the Customer. Customer shall have the option of terminating the Agreement by providing written notice if it disagrees with the price increase set out in Provider's written notice, provided this is done no later than at the expiration of the notice period. Except as otherwise noted in **Schedule A** to this Agreement, in the event that Customer adds additional student access during the term, fees associated with such additional accesses shall be payable within thirty (30) days of the end of the term during which they are requested. Except as otherwise noted in **Schedule A** to this Agreement, additional accesses

may be purchased only in a minimum quantity of ten (10) student accesses at a time. There are no limits on the number of administrator and teacher accesses to the Platform and no charge for such accesses.

All amounts payable under this Agreement shall be non-refundable.

All payments shall be exclusive of any tariffs, duties or taxes imposed or levied by any government or governmental agency. Customer shall be liable for payment of all such taxes, however designated, levied or based on Customer's or its Users' possession or use of the Platform including, federal, provincial, state or local sales taxes. Customer agrees that all amounts payable by Customer pursuant to this Agreement shall be paid without any deduction or withholding on account of any taxes, monetary transfer fees, or other charges or withholdings of any nature, except to the extent that the deduction or withholding of any tax is required by applicable law, in which event Customer shall (i) pay to Paper such additional amount as is necessary so that Paper receives, after such deduction or withholding (including any withholding with respect to this additional amount), an amount equal to the amount that Paper would have received if such deduction or withholding had not been made and (ii) deliver to Paper within thirty (30) days after the date of such payment an official receipt of the relevant taxing authority showing that Paper paid to such taxing authority the full amount of the tax required to be deducted or withheld. Paper shall take reasonable administrative actions, if possible, to lawfully mitigate or to help recover on behalf of Customer any withholding taxes, if and only if none of the foregoing actions would operate to prejudice Paper with respect to its tax liability or otherwise.

Paper will provide Customer with all information necessary to comply with tax requirements pursuant to the State of California and/or the United State of America including, without limitation, the Tax Identification Number (TIN). In the event that Customer is considered tax-exempt, Customer shall provide evidence of such status with execution of this Agreement.

12. Confidentiality

Except as may be expressly provided by this Agreement or applicable laws, the Parties acknowledge that Content contributed by Users to the Platform is not confidential as the functionality of the Platform are based on student interactions being visible in whole or in part to administrators and teachers. Except as otherwise provided by this Agreement, Paper shall not use the Content contributed by Users other than for purposes of operating the Platform for the Customer and its Users' benefit. Paper may however compile and use aggregated data (which for clarity shall not include any personally identifiable information) pertaining to the Platform derived from multiple educational institutions for purposes of (i) further developing the Platform or related products or services; (ii) compiling and disseminating data regarding the use and content of the Platform as well as the courses for which tutoring is offered on the Platform. Confidential Information shall not include information that (i) is or will become public other than as a result of a breach of this Agreement or (ii) was known to the Receiving Party prior to the disclosure thereof by the Disclosing Party, as evidenced by written documents.

The Receiving Party shall preserve the confidentiality of any Confidential Information and shall refrain from using or disclosing the same for any purpose not previously approved in writing by the Disclosing Party or otherwise provided in this Agreement. Upon request or upon termination of this Agreement, the Receiving Party shall immediately return or, at the option of the Disclosing Party, destroy the Confidential Information. Moreover, at the request of the Disclosing Party, the Receiving Party agrees to certify, by means of an affidavit, that all of the Confidential Information has been returned or destroyed, as the case may be. In addition to the termination rights of the Parties set forth in the above, the Customer shall have the right to terminate this Agreement for convenience subject to the terms of this Agreement, subject to ninety (90) days advance written notice period. Written notice by District shall be sufficient to stop access and use of the Platform. Notice shall be deemed given when received by Paper, or no later than five (5) days after the date of mailing, whichever is sooner. Notwithstanding any provision to the contrary, this Termination for Convenience provision shall control over any contradictory provision in the Agreement.
