

Creating a Better Story

Presented by the YMCA United Health Group's
Equity Innovation Center of Excellence

The Chaska Communities of Belonging initiative invites you to join a 3-part series of conversations on how we, the people of Chaska, can work together to create our own story — where everyone feels that they are welcomed, respected, safe, and that they belong here.

A Community of Belonging is a place where:

- Everyone feels welcomed.
- All people are respected, even if they disagree.
- People know each other, care about each other, and take care of each other.
- Everyone works together to create a thriving, vibrant community, and as a result, everyone benefits.
