TSHAC Guiding Principles

Assuring a healthy future for all **T**exans will guide the work of this committee.

To that end, we will work to **S**upport a healthy and safe school environment that fosters learning.

We will dedicate our efforts to goals that will produce **H**ealthier minds and bodies through effective school health education and services.

Achieving **A**cademic success by providing leadership to those who teach and empower our students will be our sustaining and overarching charge.

We will champion the practice of **C**oordinated School Health to effectively reach our goals and objectives through the eight components of coordinated school health programming.
