

Dame Allan's Sports Colours

Colours are a recognition of both a pupil's excellence and commitment to sport at Dame Allan's School.

In order to be considered for school '**Sports Colours**', pupils must have demonstrated the following:

- Behaving in a sporting manner and acting as a sporting ambassador for the school.
- Promoting and demonstrating the core values and behaviours of sporting excellence (full colours), teamwork and determination.
- Reliability through attendance at scheduled training sessions and a commitment to improving performance through individual extra efforts.
- A cooperative and collaborative attitude towards staff and peers;
- A record of loyalty and service to the school sports programme.

Playing at county or national level, or a team winning a regional title does not guarantee that colours will be awarded and each pupil will be considered on an individual basis in line with the above criteria.

Sports Commendations are presented to pupils in any year group who have demonstrated the following:

- a high level of commitment to an activity
- significant progress as regards their development within that activity.
- A positive attitude towards staff and peers.

Sport Colours and Commendations will be presented at the end of term assemblies.

Candidates for colours and commendations are nominated at the discretion of staff. Members of staff will observe the criteria set out above, use their professional judgement and expertise and discuss nominations at the colours committee meeting.
