Review of Parent Involvement Policy BP 6020

Mr. Durazo reviewed the Parent Involvement Policy BP 6020. He asked those present to read the policy and invited comments on what we are doing well as a District and what may need improvement. The following comments were received:

- Teachers have done an excellent job with their students which has encouraged a parent to show her support to the District by being involved.
- A parent shared that she is very comfortable with the schools her children have attended and has found that the teachers respond quickly when she contacts them.
- Parents can communicate with their student's teacher through ParentSquare.
- We have come a long way in technology in the past 8 years and ParentSquare has been a great linguistic bridge between schools and parents.

Presentation of By-Laws - Ms Laurie Lloyd

Ms. Lloyd asked those in attendance to review the By-Laws and then opened up the meeting for questions regarding them.

Ms. Susan Holman asked why 'represent' was scored out in paragraph IV. A correction will need to be made to update the By-laws to read, 'which he/she was selected to represent.'
