

## Weekly Webinar Program List – January-March 2023

### Engaging Students One-on-One

January 29 - February 4, 2023

- Learn how to better engage with students in a one-on-one setting so that you can lead a student towards achieving independence.

### Measuring Social Emotional Learning \*

February 5-11, 2023

- Gain an understanding of how to use self-reporting, observations from others, behavioral documentation & academic data points to measure social-emotional learning.

### Wired Differently: 5 Keys for Working with Students

February 12-18, 2023

- Understand how to support & teach the high-potential portion of the student population who have behavioral issues while avoiding an unmanageable classroom environment.

### Impactful Guidance with "Good Measure"

February 19-25, 2023

- How do you quantify lessons on character? How do you measure whether or not a student "got it" from a counseling lesson?

### Addressing Learning Loss due to COVID-19

February 26 - March 4, 2023

- Address learning loss & emphasize the importance of teacher-student relationships & positive learning environments to achieve successful learning outcomes.

### Executive Function Skills & Academic Success \*

March 5-11, 2023

- Improve the Executive Function skills of all students providing a more manageable, achievement-oriented classroom

\* - courses count for SWD points
