The CIESC Driver Education program provides a high-quality driver education and traffic safety program to Indiana students and adults. Our program helps students develop defensive driving skills and behavioral patterns to maximize driver and passenger safety.

### Online Courses

Our online course consists of 30 hours of online instruction. There is open enrollment and you can start anytime, available 24/7.

Online course work must be completed in a minimum of 15 days and a maximum of 120 days from date of payment.

### Traditional Courses

DriverEdSafety offers an at-school after-school traditional setting offered periodically throughout the school year.

Visit our website for more information including class dates.

After successfully completing the classroom or online phase, students may apply for the learner's permit. In-car instruction will begin based on current location wait time. Check website for more information.
