

# CLASS OF 2027

## FRESHMAN REGISTRATION WORKSHEET

***Welcome to Spring Lake Park High School and the 2023-2024 school year!***

***View important information for incoming freshmen and then use the registration worksheet to guide your course selection. Additional information and course descriptions can be found on the registration site at [SpringLakeParkSchools.org/HSregistration](http://SpringLakeParkSchools.org/HSregistration).***

### ***Learning Modes and Teams***

Freshman/sophomore students will first choose their preferred mode of learning, or *how* they want to learn. There are two choices – school-based or online. For students who choose school-based, they can select a traditional day with six periods or a flexible day. From here, 9th graders are placed on teams for their four core courses to foster strong relationships among students and teachers and support high school success.

**SPRING LAKE PARK  
HIGH SCHOOL**

**School-Based** with five days per week at school.

***Students, please register for course 101 or 102 to indicate that you want school-based and use the registration guide for elective courses (1000 levels)***

**SPRING LAKE PARK  
SCHOOLS ONLINE**

**Online** full-time with primarily asynchronous (on-demand) learning experiences.

***Students, please register for course 103 to indicate that you want online and use the registration guide for elective courses (5000 levels)***

**Co-Created Learning Experiences** are project-based courses students co-create with a teacher to achieve identified academic and life competencies. Learning happens in a variety of places and ways.

# SPRING LAKE PARK HIGH SCHOOL: CLASS OF 2027 - FRESHMAN REGISTRATION SHEET
