

FACILITIES DEVELOPMENT GOALS

A quality educational program can best function in an environment that is conducive to learning, supports and encourages excellence in teaching, and provides a safe and comfortable place for students and staff.

Accordingly, the Board of Education establishes the following goals for facilities development:

1. developing a long-range planning and evaluation program;
2. providing the facilities needed to serve all students in the district;
3. providing facilities and equipment that will best support and accommodate the needs of a quality educational program; and
4. designing and constructing all facilities with particular attention to safety, security, and appropriate lighting, heating, ventilation, acoustics, spatial factors, and aesthetic appearance.
