Date January 9, 2023 - Board Approved

# COUNTY OF GEAUGA

## Background

Substitute House Bill No. 129 (HB129) effective June 3, 2002, was enacted by the 124th General Assembly in part to allow a county budget commission to waive the requirement that a taxing authority adopt a tax budget for a political subdivision or other taxing unit, pursuant to Ohio Revised Code (ORC) Section 5705.281.

Under the law in effect prior to June 3, 2002, the budget commission could only waive the tax budget for a subdivision or other taxing unit that was receiving a share of the county undivided local government fund or the county undivided local government revenue assistance fund under an alternative method or formula pursuant to ORC Sections 5747.53 and 5747.63. Thus, tax budgets could be waived only for counties, municipalities, townships, and park districts. This restriction is now removed.

## Ohio Revised Code Section 5705.281

Under the amended version of this section pursuant to HB 129, a county budget commission, by an affirmative vote of a majority of the commission, including an affirmative vote by the county auditor, may waive the tax budget for any subdivision or other taxing unit. However, the commission may require the taxing authority to provide any information needed by the commission to perform its duties, including the division of the tax rates as provided under ORC Section 5705.04.

## County Budget Commission Duties

The county budget commission must still certify tax rates to each subdivision or other taxing unit, by March 1 for school districts and by September 1 for all other taxing authorities under ORC Section 5705.35, even when a tax budget is waived. Also, the commission is still required to issue an official certificate of estimated resources under ORC Section 5705.35 and amended official certificates of estimated resources under ORC Section 5705.36.

Therefore, when a budget commission is setting tax rates based on a taxing unit's need, for purposes of ORC Sections 5705.32, 5705.34, and 5705.341, its determination must be based on that other information the commission asked the taxing authority to provide under ORC Section 5705.281, when the tax budget was waived. Also, an official certificate must be based on that other information the commission asked the taxing authority to provide.

## Alternative Tax Budget Information Filing Deadline

The fiscal officer for each school district must file one copy of this document with the County Auditor on or before January 20th. [Note: The traditional deadline for submission of the tax budget has been January 20th. There is the potential for flexibility on this date as a result of HB 129 depending on the needs of the Budget Commission, but in order for them to be on track with the certificate of available resources, the date may need to be very close to January 20th].

# GUIDELINES FOR COMPLETING THE ALTERNATIVE TAX BUDGET INFORMATION\*

## SCHEDULE 1

The general purpose of schedule 1 is to meet the requirement of Ohio Revised Code (ORC) Section 5705.04 which requires the taxing authority of each subdivision to divide the taxes levied into separate levies. For help use the schedule B issued by the budget commission for the current year and add any new levies. This will help to ensure that no levies are missed.

In column 1 list only those individual funds which are requesting general property tax revenue. In column 2 purpose refers to the following terms, inside, current expenses, and special levy for example. In column 4 levy type refers to renewal, additional, and replacement for example. In column 9 identify the amount of general property tax you wish to request.

## SCHEDULE 2

The general purpose of schedule 2 is to demonstrate the need to produce property tax revenues to cover the estimated expenditures for the budget year. ORC Section 5705.341 states in part;  
"Nothing in this section or any section of the ORC shall permit or require the levying of any rate of taxation, whether within the 10 mill limitation or whether the levy has been approved by the electors, the political subdivision or the charter of a municipal corporation in excess of such 10 mill limitation, unless such rate of taxation for the ensuing fiscal year is clearly required by a budget properly and lawfully, adopted under this chapter or by other information required per ORC 5705.281."

Property tax revenue includes real estate taxes, personal property taxes, homestead and rollback, and the personal property 10,000 exempt monies.

## SCHEDULE 3

The general purpose of schedule 3 is to produce an Official Certificate of Estimated Resources for funds that do not receive property tax revenue.

In column 3, total estimated receipts should include all revenues plus transfers in.

## SCHEDULE 4

The general purpose of schedule 4 is to provide for the proper amount of millage to cover debt service requirements on voted bond issues. Major capital improvement projects are sometimes financed through the use of voted bonds.

The taxing authority seeks voter approval of general obligation bonds and of the levy of property taxes outside the indirect debt limitation in whatever amount is necessary to pay debt service on those bonds.

In column 6 you must take into consideration any carry over plus or minus cash balance estimated for the current year. This can happen because there are no sure things concerning tax payments and the valuation of personal property taxpayers.

## SCHEDULE 5

The general purpose of schedule 5 is to properly account for tax anticipation notes. See schedule 5 for more details.
