Freedom of Information Act (FOIA) Request Form

Name:	Joseph Castagnino
Address:	[redacted]
Home Phone Number:	[redacted]
E-mail Address:	[redacted]
Public Records Requested (Description of Documents or Information Requested):	I submitted a previous version of this request, but for some reason the incorrect email address populated. You can disreagard and move forward with this request on this information. During the days of January 19, 20, 21 of this year, Palmetto State School Counselor Association is holding a conference on Hilton Head Island. During this conference, district staff and school counselors were invited to attend. Since this is being held during school hours, it is also a paid event for teachers to attend. I would like the list of all district employees that are attending this event, either a single day or all days of the event. I would also like to have the name of the school that they work for. As this is being held during school hours with school staff taking part, I am also requesting the FULL materials that are being used in this meeting. This is EXTREMELY concerning, as the course has material and presentations that teach counselors skills and tactics to speak to kids in ways that keep information from parents, and make decisions without parental involvement. In case you attempt

to say this material is appropriate, here is a link to one of the presenters.

I do not understand why this district continues to look for ways to violate the law, indoctrinate our children, overstep their authority and violate Parental Rights and Childrens' Rights.

Send me the information requested within 10 business days. No exceptions.
