

Hunter Bleeds Blue & Gold

TUPELO, Miss. — Missy Hunter is all Tupelo.

A native of the All-American City, she graduated from Tupelo High School in 1987. Since then, the Blue and Gold remained a staple in her family.

She's had a son and two daughters graduate from THS, and for the last 10 years she has worked in Central Office, where she is the administrative assistant for the Operations Department.

“Missy Hunter is someone that is behind the scenes, however, she comes in contact with a lot of us in our district and has always goes above and beyond when we've needed her,” said Evet Topp, the director of the Tupelo Career & Technical Center. “We appreciate her communicating and assisting our needs when it comes to facilities, and she does it with grace and kindness.”

As for her favorite pastime, it's spending time with her grandson, Sky Michael.

This week's TPSD Staff Spotlight, sponsored by Sunny 93.3 and Buffalo Wild Wings, is Missy Hunter of Central Office.
