

ISA – The International
Society of Automation

January 21, 2023

Dear Counselors:

The Fox River Valley Section of ISA will award five scholarships in 2023 to applicants chosen through subjective review process with no financial disclosure. There is one \$2500 and four \$1500 one-time scholarships. The following rules apply:

1. The recipients must pursue an automation or process control related course of study terminating in either an associate or bachelor's degree from any accredited college or university anywhere in the world.
2. The scholarship will be awarded upon successful completion of the first half year of studies. A grade transcript must be submitted to **Dan Tibbetts** via mail/e-mail to the address listed below.
3. The recipient must live within the boundaries of the Fox River Valley Section.
Note – if you receive this letter, your school district is within the section boundaries.

To apply, the student must fill out the attached application form, and submit a formal essay on the topic provided in the attached essay requirements sheet. Also include a high school transcript as described on the application form, and mail/e-mail these items to arrive by Friday, April 14, 2023.

To: **Dan Tibbetts**
Rockwell Automation
2801 E. Enterprise Ave., Suite 100
Appleton, WI 54913
e-mail: djtibbetts@ra.rockwell.com

If e-mailing, please include "ISA Scholarship" in the subject line. All attached files must be in Microsoft Word or Adobe Acrobat Reader (pdf) format.

Our selection of scholarship recipients is based on ACT and /or SAT scores, class rank, extra-curricular activities, and quality and content of the essay response. Applications must be received at the above address by April 14, 2023 to be considered.

Successful applicants will be notified of their scholarship commitment by April 28, 2023.

Sincerely,
Dan Tibbetts
