# Check out the Resources

The screenshot shows a user interface for finding educational resources. At the top left is a circular profile icon with the letters 'EC'. Below it is a search bar with the placeholder text 'Search by product or company name...'. Under the search bar are several filter buttons: 'Approval Status', 'Privacy Status', 'Category', 'Subject', 'Education Level', and 'Tech Specifications'. The main area displays a grid of resource cards. Each card includes a logo, a title, a brief description, and a green 'Approved for Use' button. The 'ABCya!' card is highlighted with a red arrow pointing to its 'DETAILS' link. Other visible cards include '270toWin', 'Actively Learn', 'Adobe Creative Cloud Ex...', 'Albert', 'ALEKS', 'AP Central', 'Apex Learning', 'Blackboard Collaborate', 'Boom Cards (Boom Lear...', 'Brain POP', and 'Canva'. A blue question mark icon is in the bottom right corner of the interface.

The Leader in Educational Games for Kids!

Grade Request Compare Website

### Description

ABCya.com is the leader in free educational kids computer games and activities for elementary students to learn on the web. All children's educational computer activities were created or approved by certified school teachers. All educational games are free and are modeled from primary grade lessons and enhanced to provide an interactive way for children to learn.

Grade level lessons incorporate areas such as math and language arts while introducing basic computer skills. Many of the kindergarten and first grade activities are equipped with sound to enhance understanding. Fun children's Holiday activities are available in grade level sections!

No grades yet.

Be the first to grade ABCya! and share your feedback!
