

April 19, 2017

Community Bond Oversight Committee Purpose:

- Serve as an independent advisory capacity to superintendent and district staff
- Ensure accountability that district is fulfilling bond commitments and bond funds are being used for purposes intended
- Review bond program revenues, expenditures, and financial audit information
- Review projects' status, commitments, expenditures, and schedules
- Share input, provide feedback, and ask clarifying questions to district staff
- Provide quarterly progress reports to the superintendent to share with the school board and public
