## To, Through, and Beyond College

### "Impact and Outcome"

Happy Monday Families!!!

This Friday concludes quarter 2, which means half of the school year is over. In the upcoming weeks, parent meetings will be scheduled for students who may be at risk of repeating their current grade. When students arrive late, they are missing SFA, our research-based reading program. Please send students to school on time and in complete uniform daily. If you have any questions please reach out to me at aringo@npfeschools.org or send a message to (313) 751-8533.

Ms. Ringo

### Instructional priorities

Reading, writing, and discussion in all content areas to provide cohesive instruction and opportunities for productive struggle.

Provide effective feedback to students that affirms what they have done well and guides them toward academic improvement and achievement of learning goals.

Study and leverage student-level data on a regular and consistent basis to identify learning opportunities and create plans to address them.

Use rubrics as tools to provide a shared language with clear guidelines and expectations to provide a measure, adjust, and evaluate learning

### M-Step

We have approximately 11 weeks/84 days before Michigan's annual six-week testing season begins in April. M-Step is a high stakes assessment! Attendance, daily instruction, tutoring and intervention will be critical. Let's be focused and ready to take action everyday! The results of the various assessments can influence college admissions, teacher evaluations, and whether third-graders are promoted.

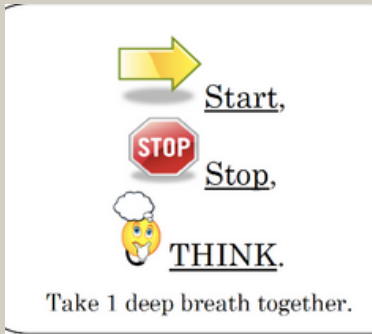

Shout out to all the students who met or exceeded their growth targets on the NWEA district assessments in reading and math!!!!
