**F. UPDATE/INFORMATION ON DISTRICT PROGRAMS/ACTIVITIES**

**G. NEW BUSINESS**

Rationale:

Jennifer Willis, Ky Adult Education Program, discussed the partnership between KY Adult Education and the Taylor County School District. The program is located in the Central KY Career Academy and offers the following classes to adults over 18 years old: GED, Family Literacy, Financial Literacy, Digital Literacy, ESL, GED Math, Workplace Literacy, College/Career Prep, as well as various other workshops.

**G.I. Approval to name the new TCHS Agriculture Science Center the "The Williams & Evans Agriscience Center".**

**Rationale:**

The TCHS Agriculture Department recommends this building be named "The Williams & Evans Agriscience Center" after two former Agriculture Teachers, Mr. Larry E. Williams and Mr. William Wallace Evans. This name reflects the two agriculture teachers that have laid the framework and foundation for the present Taylor County Agriculture Department and FFA program. These two men instilled a love of agriculture to their students and inspired them to become outstanding contributors to this community and society.

The Board voted unanimously to name the new facility "The Williams & Evans Agriscience Center". Superintendent Higdon and Board Chairman David Hall gave high praise for the many accomplishments of the program, at both the state and national level, over the past several decades. The legacy of both men will be remembered by the lives they touched and individuals they influenced.
