Dear Keeneyville District 20 Families,

Each year, we ask students, teachers, and parents/guardians to participate in the **Illinois 5Essentials Survey**. This opportunity gives you a chance to share your thoughts on the important elements relating to your child's school: (1) effective leaders, (2) collaborative teachers, (3) involved families, (4) supportive environments, and (5) ambitious instruction. Each school must achieve a response rate of 20% from parents in order to receive parent data.

**Your feedback is very important to us, so we encourage you to take the Parent Survey between January 24 and March 31.** You must complete a separate survey for each school that your family attends. This is an online survey only, which may be completed on any device (PC or laptop, smartphone, tablet) or you may ask to use a device in the school office. *Your identity and survey responses will be kept completely confidential and will never be connected to you or your child.*

1. Go to <https://survey.5-essentials.org/illinois/>
2. Select *Parent Survey* in your preferred language (English or Spanish)
3. Enter email address (optional) and *DuPage County*
4. Advance to Survey Questions and Answer all Applicable Questions
5. *Submit Survey*

Thank you very much for helping us to understand more about your child's school and guide improvement for the future.

Sincerely,

Dr. Omar Castillo  
Superintendent  
Keeneyville ESD20
