4. Admission Preferences

Pursuant to Section 1002.33(10)(d), Florida Statutes, and the Seaside School’s Charter, Seaside School gives preference in admission for certain categories of applicants. Each preference

category, along with the qualifying criteria, is described below in order of priority. If there are more applicants with preferences than available openings, applicants with preferences will be randomly chosen in the preference order presented below. While an applicant may have a preference for admission, that preference does not guarantee admission. In order for the administration to determine and/or verify how many students with a preference are expecting to attend Seaside School, those students that may qualify for a preference must complete and submit an application along with all required accurate documentation by the end of the application period to be considered for admission.

A. Children of Seaside School Employees: For purposes of this paragraph, an Eligible Employee is defined as: (A) an employee who is currently salaried or an employee currently working hourly at least 20 hours per week; (B) is directly paid by The Seaside School, Inc.; and (C) directly reports to the school's administration. Legal children and wards of Eligible Employees of the Seaside School at the time of the application lottery have preference with respect to admissions, regardless of whether the child resides in Walton County or resides with the Eligible Employee. Step-children of Eligible Employees are also entitled to this preference if the step-child resides with the Eligible Employee. A step-child is defined as the legal child or ward of the Eligible Employee's legal spouse. Other relatives are not eligible for this preference. If an Eligible Employee is hired after the application lottery and the child of the Eligible Employee has submitted an application, such child will have priority over other applicants on the waiting list. B. Children of Seaside School Board Members: Legal children and wards of board members of The Seaside School, Inc. who successfully completed a three-year term, who are currently serving or have been elected to serve for the upcoming school year,

or who have filled or who are currently filling a vacancy term in excess of two years, at the time of application lottery have preference with respect to admissions, regardless of whether the child resides in Walton County or resides with the current or former board member. Step-children of current or past board members are also entitled to this preference if the step-child resides with the current or past board member. For purposes of this paragraph, a step-child is defined as the legal child or ward of the current or past board member's legal spouse. Other relatives are not eligible for this preference. If a new board member is elected after the application lottery has taken place and the child of the new board member has submitted an application, such child will have priority over other applicants on the waiting list except for the children, wards, and step-children of Eligible Employees on the waiting list. If a board member resigns or is asked to leave The Seaside School, Inc., Board of Directors before his or her three-year term has been completed, it is at the Board of Directors' discretion as to whether or not such board member's enrolled child or children will be asked to withdraw from the Seaside School.

5. Application Lottery Process & Acceptance of Admission

If there are more applications than openings for the upcoming school year after the lottery application deadline passes, an application lottery will be conducted on or about March 15th, unless otherwise scheduled by the Board of Directors, to randomly select applicants for admission using third-party lottery selection software. Prior to the lottery, parents and legal guardians will have the opportunity to verify the status of their child’s application through an online personal account with a secure username and password via the Application Portal. The lottery will be conducted using the lottery selection software in the presence of and verified by a representative of the Walton County School District, a Seaside School Board Member, and a principal of the Seaside School. Applicants will be selected in the following preference order as set forth elsewhere in this policy:

- A. Children of Current Eligible Employees of the Seaside School
- B. Children of Seaside School Board Members

- C. Siblings of Currently Enrolled Students at the Seaside School
- D. Walton County Residents
- E. Non-Walton County Residents

After all available openings have been filled, applicants will continue to be randomly selected and placed in numerical order by grade level to create the waiting list for each grade.

The parents and legal guardians of applicants selected for enrollment will be notified via the Application Portal within 24 hours of the lottery. **Parents and guardians of selected applicants must accept or decline enrollment by 5:00PM (Central Time) on the third day following the lottery via the Application Portal.** Failure to accept enrollment by the deadline will be treated as a decline and the spot will be offered to an applicant on the waiting list.

6. Waiting Lists

The waiting list created through the application lottery is for the upcoming school year. If an opening occurs and needs to be filled at the discretion of the school principal, the parent or legal guardian of the applicant next on the waiting list will be contacted. If the applicant is in 9th, 10th, 11th or 12th grade, the student must provide information to the school principal showing the student meets a preponderance of the prerequisite courses for admission. If the applicant requires prerequisite courses for admission and cannot be enrolled in the courses currently offered, the school principal may, at his or her discretion, move to the next applicant on the waiting list. The parent or legal guardian must accept or decline admission within 48 hours. Failure to do so will be treated as a decline. If the applicant declines, he or she will be removed from the waiting list. The waiting list will stay in effect until the lottery application period ends the following year and at that point will become null and void. **All applicants on the waiting list that were not admitted, must reapply for the next school year through the standard application process.**

Please note when a student withdraws from the Seaside School, an applicant on the waiting list in the same grade may not always be admitted. There are times when an applicant on the waiting list in a different grade will be admitted to replace the student leaving the school. This will depend on the current numbers for each grade at the time and is at the discretion of the school principal. Applicants that wish to be admitted but did not submit an application during the lottery application period will be added to the bottom of the waiting list on a first come, first serve basis.

7. DISPUTES

If any dispute arises regarding the application process, application lottery, or interpretation of this Application and Admittance Policy, such disputes shall be resolved by majority vote of the Governance Committee, subject to appeal to the Board of Directors.
