

Sociology Teacher

Start: September 23

**Salary fringe area – Up to £44,919
Full/part time will be considered
(A TLR and recruitment allowance are possible)**

Slough and Eton is looking for a great teacher who is a Sociology specialist to join our Social Sciences department. We have an experienced Curriculum Leader and a great mix of experienced and recently qualified staff in the team. Sociology is a successful and popular subject area at Key Stages 4 and 5.

The department is housed in the Sixth Form Centre and all classrooms benefit from access to the latest Clevertouch interactive technology. The new member of this team needs to be qualified to teach Sociology and have a love of the subject. We currently follow the WJEC specification for GCSE and OCR for A-Level. If this sounds appealing to you then you will need to be hardworking, dedicated to ensuring students of all abilities can succeed and, crucially, a great classroom teacher. Previous experience of examination teaching at either KS4 or 5 is essential and experience of A-Level teaching would be a bonus. ECTs are encouraged to apply as this is a great team with which to develop your teaching skills. We also welcome applications from experienced teachers who are keen to stay in the classroom and support the works of others.

For ECTs interested in applying we are delivering the Early Career Framework in partnership with the Ambition Institute as their coaching model complements well the established coaching practices we have in the school for all teaching staff.

Slough and Eton is a great school on the outskirts of Slough, which serves the Chalvey community. We are relentlessly focused on ensuring great teaching, learning and experiences are at the core of what we do. It is an exciting time for us and our students are a pleasure to work with.

If you are interested in finding out more then please read the welcome letter from our Headteacher and feel free to visit the school in advance of applying.

We welcome applications from colleagues who may wish to be considered in a part-time/job share capacity and are happy to explore flexible working arrangements. We are, of course, committed to safeguarding the welfare of our students and staff and will conduct all necessary DBS checks as part of our recruitment process.

We look forward to hearing from you.

If you would like to contribute to our exciting future please visit our website at www.slougheton.com in the vacancy section for further details and application pack or contact our HR Advisor, Beverly Glanville for an application form vacancies@slougheton.com. **CV's alone will not be accepted as a valid application.**

NO AGENCIES PLEASE

We reserve the right to interview promising candidates prior to this date if applications are received early.

Closing date: Friday 3rd February 2023 (9am)

Interviews: w/c 6th February 2023
