Addendum No. 2

The following response addresses a question submitted by a vendor on January 23, 2023; the response to the question is indicated in **bold**. If you feel that a question has not been addressed, please contact Reed Beebe at purchasing@smsd.org as soon as possible.

1. The District's Market Basket includes all items from the 21-22 school year usage rather than a sampling of items. Is that what was intended?

Yes; as noted in the "Market Basket Cost Analysis" section on page 7: "The District's Market Basket Analysis sample is listed in Attachment C and is established to represent 100% of the total estimated value of the contract to be awarded. The most recent velocity/sales report from the District's current supplier(s) was used to project the balance of the year and adjusted for estimated change in menu and participation for the following year. These items may change due to changes in menu for the 2023-2024 school year."
