

Choir for Current THS Students

**Do you love to listen to music?
Do you like to sing-a-long in the car?**

Why not think about joining Choir.

We have classes for students of all musical levels and abilities.

**Members of the Choir enjoy many great times together-
Making new friends, performing concerts, participating in
choral festivals, trips, and workshops.**

**In the past years the Troy High Choirs have taken trips to,
Disney World, New Orleans, Chicago, Nashville, Cleveland, New
York, and Toronto.**

**You should consider enrolling in a Troy High choir class
which will provide a means of self-expression and a sense of
belonging here at Troy High School.**

No prior experience is necessary just a love of music and singing.
