Parent & Family Engagement Policy and Plan for Shared Student Success

What is it?

This is a plan that describes how COAST Charter School will provide opportunities to improve family engagement to support student learning. COAST Charter School values the contributions and involvement of families to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that COAST Charter School will support family engagement and how families can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

COAST Charter School invites all families to attend our School Advisory Council (SAC) meetings to review and revise this parent and family engagement policy, as well as the school improvement plan, our school-parent compact, and the family engagement budget. The plan is posted on our school website for families to view and submit feedback throughout the year. All feedback received during the year will be used to revise the plan for the next school year. We distribute an annual survey online to ask parents for their suggestions on the plan and the use of funds for family engagement. Families can also give feedback during SAC meetings and Title I events.

Who is it for?

All students participating in the Title I, Part A program and their families are encouraged and invited to fully participate in the opportunities described in this plan. COAST Charter School will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?

The plan will be posted on the school website and families can obtain a hardcopy of the plan in the front office of the school.

What is Title I?

Being a Title I, Part A school means receiving federal funding to supplement the school's existing programs. These dollars can be used for...

- Identifying students experiencing academic difficulties and providing timely assistance to help these students meet the State's challenging content standards.
- Purchasing supplemental staff, programs, materials, and supplies.
- Conducting parent and family engagement meetings, trainings, and activities.

Title I is the largest federal assistance program for our nation's schools. The amount of money given to each school depends on the number of low-income families enrolled in the school.

Goals of Title I

- Increase academic achievement.
- Provide direct instructional support to students.
- Provide professional development for teachers.
- Promote parent and family education and involvement.

The main goal of Title I is to provide a higher quality education for EVERY child.

2022-2023 District Goals

Wakulla County School District's Five-Year Strategic Plan is on the district's website at www.wakullaschooldistrict.org. Goals are aligned to Cognia's Performance Standards for K-12.

2022-2023 COAST Charter School Goals

The Schoolwide Improvement Plan (SIP) is refined annually and defines our school's targeted work to raise achievement for all students. The SIP includes key research-based strategies targeting measurable goals based on identified areas of need. To access our SIP, please visit the Florida Department of Education's Continuous Improvement Management System (CIMS) at www.floridacims.org.

Goal 1: Improve Math Scores through increased rigor with instructional practices.

Goal 2: Improve ELA Scores through increased rigor with instructional practices.

Goal 3: Improve scores for Students With Disabilities (SWD) through evidence-based strategies.

Parent and Family Engagement Standards

COAST Charter School and our families adopts the National Standards for Family-School Partnerships as the school's model in engaging parents, students, and the community. These standards are:

1. Welcoming All Families
2. Communicating Effectively
3. Supporting Student Success
4. Speaking Up for Every Child
5. Sharing Power
6. Collaborating with Community

Parent and Family Engagement

COAST Charter School believes that family engagement means the participation of parents and family members in regular two-way and meaningful communication involving student academic learning and other school activities, including ensuring:

- Parents play an integral role in assisting their child's learning.
- Parents are encouraged to be actively involved in their child's education at school.
- Parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

School-Parent Compacts

As part of this plan, COAST Charter School and our families will develop a school-parent compact. A compact is a written agreement that families, teachers, and students jointly develop to explain how everyone will work together to ensure all students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from families, students, and teachers. The school-parent compacts are also displayed in each classroom, are shared with parents during parent-teacher conferences, are posted on our school website, and extra copies are always available in the front office. If you would like to provide feedback on the compact any time during the year, please contact Lesley Gerrell at (850) 925-6344 or lesley.gerrell@coastcharter.us.

COAST Charter School will host the following events to build the capacity for strong family engagement.
